## EXPERIENCE

Aug 2021 — Present

### Customer Support Specialist for Nike, Majorel

-Interacting with approximately 40 customers daily, building strong customer relations by providing personalized product guidance, and resolving customer issues.

-Using sales skills to maintain and develop business relationships with the customer (upselling & cross-selling)

Jan 2017 — Present

### Freelance Photographer and Video editor

-I have experience in both analog and digital photography. I pay attention to details like composition, lighting, and colour to make my photos look great.

-Managing all aspects of the photography process, from pre-shoot planning to post-production and delivery.

-With a solid foundation in video editing software and a deep understanding of storytelling techniques, I can take raw footage and turn it into polished, impactful videos.

Aug 2015 — Sep 2015

### Cinematographer for TV Mini-Series

-Worked to analyze, and understand the screenplay before planning for filming and decided on a visual approach

-Conducted research regarding available locations, props and shooting conditions at the prospective film sites.

-Provided creative and technical direction for the shooting

Dec 2014 — May 2015

### Assistant Photographer , Creative Studio

-Completed digital edits of photographs using Adobe Photoshop, including retouching and adding digital effects

-Booked customer appointments and set up meet-and-greets.

-Scouted potential photo shoot locations and venues
